

Year 6 Term 2 Newsletter

Talofa lava, Kia orana, Malo e lelei, Bula, Fakatalofa atu,

The new Term has started strongly, with a celebration of our Pasifika Cultures fortnight, and the hosting our Mothers Morning on Friday 10th May. Earlier in Week 2 the Year 6 team also enjoyed a visit from Fraser, an ex-Tirimoana staffer and now Educator for Auckland Zoo, who shared his knowledge and passion of our local habitats and its inhabitants.

In **Week 3 (13th – 17th May)** we have two programmes running, with the Food for Thought classroom and retail programme, and the Bike Safety programme for Year 5/6.

The builders have now started the renovations to Rooms 23/24. However, it is learning as usual, with everyone adjusting quickly to the disruptions of relocating. The Year 6 team have all established positive class cultures and routines that enhance the learning opportunities of our tamariki.

As the table below shows, this Term has many events coming up.
