### **Things you need to know**

We will not be operating outside the hours of 3.00pm –6 pm afternoons of school term. This means we will be closed for public holidays and you will be required to make other arrangements.

Parents or caregivers are required to record the time of collection and sign out daily in the daily register. All children must be collected by a parent or person named on the enrolment form and must say goodbye to staff. This ensures that staff are aware that the child has been taken home. This helps to encourage manners in young children.

You are required to telephone the director, supervisor, or leave a message at the school office before 10.00am, if your child is attending casually or NOT attending for the day.

Children are responsible for their own bags and belongings and parents or caregivers are asked to ensure children take them home daily.
