## This week's PB4L Focus: Being Compassionate: Bully Free NZ

This week classes revisited themes and understandings that bullying causes harm. Students discussed ways in which we all have the power to be compassionate and to make change within our environment. Teachers have discussed our Tirimoana Bully free Poster and helped children understand what action they can take within each of these situations. Discuss at home how your child can be empowered to do something positive to counteract the harm and hurt that bullying causes.

## He aha te tupu i Tirimoana! What's happening at Tirimoana!

Kia ora e te whānau,

This week across New Zealand, schools and businesses have an extra focus on promoting Bully free schools and workplaces. In classes, students have talked about the difference between an accident, being unkind and bullying. For our staff meeting this week, teachers revisited our PB4L (Positive Behaviour for Learning) and the Management and Prevention of Bullying policies. PB4L is a non-negotiable practice and is well established within our school. Weekly lessons continue to promote our school CARE values of Compassion, Act Responsibly, Respect and Effort.

Pink Shirt Day began in Canada in 2007 when two students took a stand against homophobic bullying after a new year 10 student was harassed and threatened for wearing pink. Pink Shirt Day has been celebrated in Aotearoa since 2009.

By taking part in Pink Shirt Day, our school is a part of a powerful movement to spread aroha and kindness and end bullying.
