## This week's PB4L Focus: Acting Responsibly - to be a Successful Learner

This week classes have been discussing what it looks like to act responsibly and be a successful learner. Children have been learning morning routines and sharing ideas around how they each can demonstrate their best at school. The skills of wanting to do our best and valuing who we are as a learner are very important skills to learn. Please continue these conversations with your child at home.

## He aha te tupu i Tirimoana! What's happening at Tirimoana!

## Network Upgrade next week

Tirimoana School's Network is being upgraded next week. A team will be onsite removing and replacing our network equipment. This will affect how the school operates.

### Please note that:

- Calls and emails into and from the school will be disrupted and it may be difficult for teachers to contact you directly via phone or email next week.
- The office will have limited phone and internet access
- If you need to get a message to your child-**please email the office**
- Teachers and staff will receive emails but will not be able to check them regularly so you may not get back to you immediately - please be patient.
- **If your child is going to be away** please make sure that you have logged your child's absence into the Edge app as that will still be accessible to the office staff.

Please also note that this upgrade does not include moving to 5G. It is only about managing the internal wireless network equipment within the school.

Kia ora and Welcome to  
Tirimoana School

|        |            |          |         |      |
