**This week's PB4L Focus: Apply Effort - Keeping Belongings Tidy**

This week classes have discussed the graduate profile skill of "I am a role model". This skill is needed when learners are applying effort and keeping their belongings tidy. It is important to make sure our cloak bays and other shared spaces at school are tidy and clutter free. This ensures a safe and respectful environment for everyone. Share ideas with your child to help them achieve this skill.

**He aha te tupu i Tirimoana! What's happening at Tirimoana!**

Dear Parents/Whānau

I am sharing with you that one of our teachers has won a promotion as Deputy Principal at Riverhead Primary School. Congratulations to Mrs Margaret Carter. Mrs Carter has taught at Tirimoana for over 20 years, at many different class levels, and has held several specific leadership roles at our school. I wish Margaret all the best in her new role, and I know that we will miss her at Tirimoana.

**Collecting children during Friday assembly**

School assemblies are held on Fridays, starting at 1:30 pm. If you need to pick up your child during assembly time, please call ahead so we can have your child ready. This helps avoid disruptions during the assembly.

Thank you for your cooperation.

**Athon Quiz Day is on Tuesday**

We want every child to feel part of the Art Athon experience, and we want every child to feel both success, and support from home.

Please continue to support your child learning their art facts at home. Encourage family and friends to sponsor your child.

**Look at the great prizes!**

Jenny and a PTA team have set up a prize bucket display in the school library for children to view. Thank you to the businesses and individuals who have donated prizes.

**What happens after the quiz on Tuesday?**

On Tuesday afternoon children will bring home their Athon participation certificate. Now is the time to begin collecting sponsorship money and bring this back to school. Every child will receive 1 ticket for the prize draw for learning their Art Around the World Athon at school and at home. They may earn more tickets based on the sponsorship money that is sent to school. Children will receive 1 ticket for every \$2 sponsorship. Tickets will also be given by classroom teachers for extra effort applied.

## Tree Planting

This week a group of Enviro learners planted some new trees, including a puriri tree, camellias and a bottle brush, and some flaxes near the bike track. This is part of our commitment to Climate Restoration and in recognition of Arbor Day last week.

As part of our CARE values, our learners demonstrate their respect for the environment by taking extra care around these new trees and shrubs.
