## This week's PB4L Focus: Compassion: Respecting Differences

This week, our PB4L focus has been on compassion and the importance of respecting our differences. We've been discussing how each of us has a unique identity and culture, and how valuing these differences enriches our school community. In line with our Graduate Profile, we're learning to understand and respect that we are all different, and that's what makes our school special.

In our classes we have talked about ways we can all contribute positively to our school. Whether it's helping others, solving problems in the playground, or saying sorry when we're wrong, every action we take helps build a stronger, kinder community. We've also explored how we can counteract unkindness or bullying by doing something positive—standing up for what's right, offering support to those who need it, and being inclusive.

## Year 2 Writing for Father's Day

My Dad is the best because he is caring. He gives me a kiss when I feel sad and that makes me happy. He plays with me all the time. He tickles me and makes me giggle. He picks me up and gives me big hugs.

My dad is the BEST! I love my dad.
