This week's PB4L Focus: Compassion: Initiating Polite Conversation

This week, our PB4L focus has been on compassion and how we can demonstrate it through polite conversation. As part of our Graduate Profile, we're learning about the importance of being a role model and contributing positively to our school community.

We've discussed how to be polite towards our peers, adults, and visitors, aiming to initiate conversations in a respectful and considerate manner, even when the person is new to our school or not yet a friend.

We've also talked about taking pride in wearing our Tirimoana uniform, especially when we're with visitors or participating in Education Outside the Classroom (EOTC) activities. Our uniform is a symbol of our school, and wearing it proudly reflects our commitment to our school values.

He aha te tupu i Tirimoana! What's happening at Tirimoana!

Dear Parents and Whānau

We are nearing the end of the third term, with school closing on Friday 27 September for a two week holiday. As we approach the end of the term, I remind parents and staff that children are often tired and can therefore sometimes be anxious or easily upset. Let your child's teacher know if your child is feeling this way, and we will reach out to show some extra support.

Early Alert!

On **Friday 25 October** school will be closed for a Teacher Only Day to allow teachers to prepare for new initiatives in teaching that the government has announced. This Teacher Only Day is organised by the Ministry of Education and most local schools will be closed on this day. You may hear that some schools have chosen a date in the following week because the Ministry of Education allows schools to choose any date over a two week period.

Next week I will be out of school for most of the week attending the New Zealand Principals Federation joint conference with Australian principals, in Christchurch. Mr Lyon will be acting principal for most of next week, supported by Mrs Graham. Mrs Hammond and Mrs Matthews will also be accompanying me in Christchurch.

Ngā mihi

Zonal Speech Final

Congratulations to Rome Hipa and Carter Dunn who both successfully represented Tirimoana School at the Zonal Speech final at Freyberg School.

Rome secured an impressive second place in the competition.

Thank you to our parent supporters, as well as Thomas and Emma who were there to cheer the team on.

Pasifika Community Consultation 2024

Thank you to our Pasifika families who have shared their view during the consultation this week.

We have had a very good response to our online and paper survey.

Education Review Office (ERO) Visit in Week 10

The Education Review Office (ERO) will be visiting our school over 3 days during the last week of term.

ERO's role is to give parents and our community confidence in the quality of education we provide. They look at how well our school's curriculum supports student learning, engagement, progress, and achievement, including for groups like Māori, Pacific, and students with diverse learning needs. They also review how well our school is set up to keep improving.

This visit concludes a process that started in 2022, and we are looking forward to a positive report.

Measles update – looking ahead

Measles is dangerous and contagious, especially in communities with low vaccination rates. Although New Zealand continues to be free of measles, it could arrive at any time. We encourage everyone to check if they are immune to measles, especially those planning to travel overseas for the school holidays. The key message: if you aren't sure, get **vaccinated**.

Introducing our Adventure Programmes

Children come to our programmes because they are excited by our experiences, and they leave with the social, emotional, and interpersonal skills to prepare them for life. Our Adventure Programme is designed and based on the research of experts in child play and the key developmental pillars of children. Our programme offers exciting experiences and enrichment to children's learning beyond the classroom and school curriculum that are designed to engage our tamariki across all ages and interests and help grow core capabilities, confidence, and knowledge.

- Turning a big step into a little one**
Starting school with familiar faces and comfortable environments helps make the big step, into a smaller one.
- Making new friends**
When kids form bonds with each other, it makes the transition to primary school, so much easier. They'll meet familiar faces and feel a sense of belonging, as soon as they start school.
- Having fun and building lifelong skills**
New experiences and shared challenges build confidence and resilience. It's a fundamental part of how kids look at the world, socialise and learn. Making each experience fun, plays a huge part on how we do it!
- Caring team members**
Having caring and nurturing grownups around you means all the difference - our team members make sure our kids are encouraged to flourish and have fun, every step of the way.
