## This week's PB4L Focus: Compassion

### Respecting Each Other's Differences

This week, we focused on compassion by learning to respect and appreciate the differences in others. Students discussed the importance of inclusion, thinking before speaking, and responding with care. Through stories and discussions, we celebrated the diversity in our school and community. Ask your child what they've learned about respecting differences!

### ERO: School Evaluation Report

Te Ara Huarau is the evaluation approach that the Education Review Office (ERO) is using in our school. This is a developmental approach to evaluation where ERO and our school work together over time rather than one off review that happened previously. Te Ara Huarau is used in most English-medium state and state-integrated schools.

ERO maintains a regular view programme to evaluate and report on the education and care of you people in schools. Our school worked with ERO and contributed to writing our School Evaluation Report. The reports reflects and informs our strategic priorities and direction for improvement in one or more areas that are important as we work together to improve outcomes for all our learners. ERO, like us, has a strong focus on equality and excellence. Future reporting will show our progress and achievement towards meeting the areas for improvement in this report. Public reports like the School Evaluation Report are published on [ERO's website](#).

A Board Assurance Report that shows how we are meeting regulatory and legislative Requirements has also been published.

Included in our bundle of published reports is a Provision for International Students report.

### Te Kahu o te Rēhia:

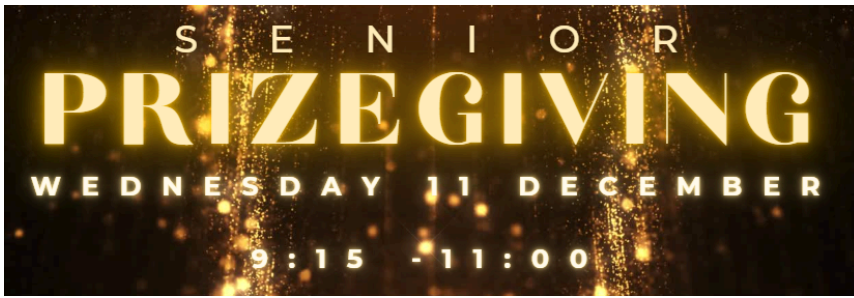

Thank you to our amazing tamariki, who performed their best in Te Kahu o te Rēhia with outstanding results, including Rome Hipa and Kaelyn Davie both achieving 3rd equal in leadership.

Tirimoana also placed 3rd equal in Waiata tira and haka, and 2nd in line dancing.

We appreciate the many hands that supported the children.

The top winners of Te Kahu o te Rēhia were Prospect Primary and Rangeview Intermediate.
