This week's PB4L Focus: Act Responsibly: Demonstrating Respect: Lunch Eating | Litter | Zero Waste

At Tirimoana School, we encourage all students to **respect our environment** by taking responsibility for their rubbish and making sustainable choices. This means:

- ✓ Taking personal rubbish home
- ✓ Keeping our school litter-free by picking up any rubbish
- ✓ Bringing a **litter-free lunchbox** whenever possible
- ✓ Using recycling bins correctly
- ✓ Using both sides of the paper to reduce waste
- ✓ Disposing of rubbish and paper waste properly

These actions link with our Graduate Profile of Citizenship

- I am a role model
- I am reliable and responsible
- I can contribute to the school

Let's all do our part to keep our school clean and green!

He aha te tupu i Tirimoana! What's happening at Tirimoana!

Playground Works

Work is proceeding well with the construction of our new Junior playground beside the sandpit. We are hopeful that this will be finished by the end of this term. Thank you to our school Board, the Tirimoana PTA and the Trusts for contributing funds towards the project.

Board elections

Later this year, in September, every school in New Zealand will have elections for school boards. Every parent has the right to participate in the election process, including nominating for a position on the board, nominating someone else, and voting for preferred candidates.

Any parent interested in nominating for the school board is encouraged to have a chat with myself, or with any of our current board members to find out what the role entails. Interested parents are also welcome to attend any of our board meetings. These take place usually on the 3rd Wednesday of the month, at 7.30pm. The next scheduled meeting is Wednesday 21st May.

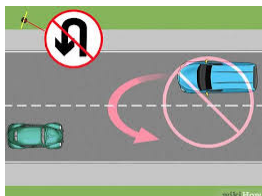

Adults Using Student Toilets

It has come to our attention that an adult may have used a student toilet before school. Please be aware that all our student toilets are for the exclusive use of children and that adults must not enter them. This is to ensure child safety and privacy. If you are on the school premises and need to use a toilet or bathroom, please just ask any staff member to direct you to one of our adult toilets.

Monitoring Student Behaviour

I assure parents that staff monitor student behaviour in the playground during break times, and before or after school. If you witness anything of concern, please inform the school office or a staff member. We have nearly 650 children at Tirimoana School, and generally we are aware of only a very small number of children who occasionally are disrespectful, use bad language or are physically aggressive to someone else. This number is less than 10 students. We use strategies to change behaviour, and we use consequences for poor behaviour. We also inform their parents when we have a concern about behaviour.

Please do not do U turns by the school crossing on Kokiri Street

We suggest you drive down Kokiri Street to collect your child and continue your journey away from school via Nui Mana place. This may help ease congestion.

Keeping our students safe at drop off and pick up is important to all of us. Please be responsible when parking and driving around the School.

**Please share this message with family members who may drop off or pick your children up.
Thank you**

Is your child leaving Tirimoana School at the end of term?

Please - let us know

If your child is moving school at the end of the term, please let the school office know. This will help us with your child's transition to their new school.

Your thoughts are needed

Healthy Active Learning Whānau Survey now open

To help understand the impact of Healthy Active Learning, the government wellbeing initiative our school is part of, Massey University is keen to hear about how your tamariki participate in physical activity and healthy eating and drinking at our school and in the community.

They have put together a survey which takes 5-10 minutes and on completion puts you in the draw to win a \$100 supermarket voucher.

Complete the survey at: [Healthy Active Learning survey for whānau](#) or scan the QR code to begin.

Our school is involved in a government wellbeing initiative called Healthy Active Learning. Part of the Child Youth and Wellbeing Strategy, it has supported over 900 schools like ours to improve the wellbeing of tamariki and rangatahi through healthy eating and drinking, and quality physical activity.

To help understand its impact, Massey University wants to hear about how your tamariki participate in physical activity and healthy eating and drinking at our school and in our community. **Massey University have put together a survey which takes 5-10 minutes and, on completion, puts you in the draw to win a \$100 supermarket voucher.**

Fun After Three: Before and After School care

We provide a safe and fun filled programme where your child’s safety and happiness are paramount. We encourage children to participate in both creative and active play. We offer a wide range of activities: sports, playground, arts and crafts, board games, homework and construction activities such as Mobilo and Lego. At all times children are supervised and

healthy food is supplied.
